ABOUT US

WELCOME TO ROSEMARY HILL

Welcome to Rosemary Hill, situated just outside Pretoria, where we offer a unique opportunity for delegates to reconnect with nature and enjoy a peaceful farm setting.

Our event spaces are spread across two venues on the property; Rosemary Hill and The Greenhouse Café, and offer the perfect locations for conferencing events.

The farm has accommodation for over 142 delegates sharing or 52 delegates individually and boasts a communal swimming pool with braai facilities.

The property offers a range of amenities, including a coffee shop, a pizzeria, a wine bar and a fully equipped on-site production studio, ideal for filming corporate videos, cooking shows, and styled shoots.

For those seeking adventure, we have a variety of recreational activities available, such as padel courts, hiking trails, mountain biking, guided segway tours (for 4 people maximum) and guided horse rides.

We also have Daytime and Evening Function Packages available, suitable for year-end functions, gala dinners, product launches and more! Click or Scan the QR codes below for more information. Kindly note that events are quoted according to your requirements and specifications.

THE CONSERVATORY

The Conservatory stands as the venue's centrepiece, designed with inspiration from a greenhouse, featuring an asymmetrical, double-pitched roof and gentle, diffused natural light. Vertical gardens and hanging plants breathe life into the venue, and in the evening, 90 low-hanging naked lightbulbs cast a soft, inviting glow, creating the perfect ambiance for night time celebrations.

With seating for up to 200 delegates in a cinema-style setup or 160 in herringbone style, this venue is an excellent choice for conferences, gala dinners, year-end functions and more.

THE VIEW

The View is a striking outdoor space, offered exclusively for early morning or late afternoon daytime events. It features a unique steel structure that complements the natural surroundings.

This space accommodates up to 80 people in a banquet or cocktail-style setup and 160 people in a cinema-style setup, making it perfect for early morning use.

The View offers a versatile canvas for wellness activities, such as yoga and motivational talks.
Available from 08:00 - 11:00 OR 15:00 - 18:00 only.

THE DECK & LAWNS

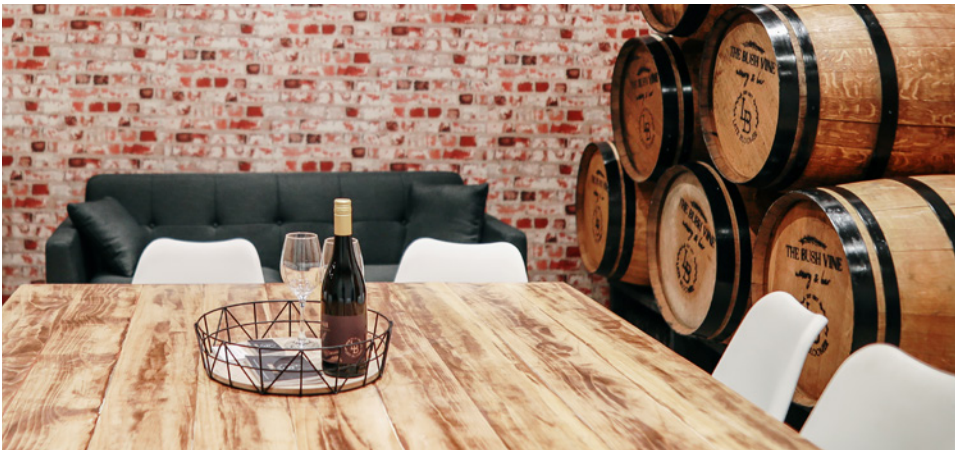

The deck accommodates up to 40 people in a formal seating style and is suitable for both daytime and evening occasions. The glass windows are equipped with shaded blinds on the Western side to shield you from the afternoon sun and create a semi-enclosed area, perfect for presentations.

The deck is a prime spot for sundowners and canapés, and the lawns and gardens provide a beautiful setting to unwind and relax between formalities. This space is also perfectly suited to recreational team-building programmes.

THE BARREL ROOM

A private room that can seat 8 delegates. Ideal for private meetings, strategic sessions or can be used as a break-away space. Your venue hire includes wooden tables and chairs.

VENUES AT ROSEMARY HILL

THE DISTILLERY

Our Essential Oil Distillation Plant is very spacious with high ceilings and can be used for events and conferences of 50 - 250 guests. It has an industrial feel with the main colours and textures being green, black, grey, metal, and glass. To ensure ambient temperatures and guests' comfort, Evap Coolers are used in the Summer and fireplaces in Winter. The venue is equipped with pocket lounges, an outside bar and fire pits.

THE BARN

This authentic wooden structure is used to seat up to 250 guests for cinema-style conferences, or 100 guests banquet-style. For evening functions, a bonfire is set up with wooden benches around the fire.

THE PAVILLION

Located at the centre of our formal garden, this open-sided structure provides 360-degree views of the beautiful maze which is home to over 2000 plants. Perfect for arrival drinks, product launches, art exhibitions and styled shoots. It can seat 100 guests cinema-style.

THE BOMA

The Boma is located at Cabinville, within walking distance to Rosemary Hill's restaurant. It is a modern space and ideal for management meetings or strategic sessions. The lounge can be converted to accommodate delegates seated at one or two tables (9 delegates max) with additional space outside on the patio.
